YOUR DONATION AT WORK

On June 8th, 2024, Teton Pass failed,

leaving many workers stranded. Families found themselves without one or both parents able to get home. TVFP realized that many families were not able to make it to the Pantry because of the long commute.

We brought the Pantry to them. We filled our van with food items and ready to eat meals. This grant was made possible by the Community Foundation of Teton Valley. Our ability to shift how we do things and anticipate what is best for our neighbors was reflected in the tired thankful eyes of the commuters. "Words cannot express my gratitude for you."

6535 Volunteer Hours

As a volunteer-based organization, the Teton Valley Food Pantry (TVFP) is reliant on the donation of time, funding and resources.

"I am so thankful for the Food Pantry. What a valuable, in fact, imperative resource this is. The available food here has helped me so much. I can't wait to get back to working here. It is so much fun...I love that I get to work with such dedicated staff and volunteers. The zip and spirit in the space certainly enlivens my life. I could go on and on." - Gretchen

"The hours that I spend at the Pantry are my favorite part of the week."
- Lynn Foxx Pease
